Kids Choice Child Care Center & Preschool: an SBA 504 Success Story

Kids Choice Child Care Center and Preschool is a woman owned business established by Robin Findl. In 2012, Robin used the SBA 504 program to finance her first child care center located in Meridian, ID. In 2016, Robin made the decision to expand into East Boise, and being a successful small business owner, she knew she could use the assistance of the SBA 504 program again. Robin stated that a low down payment, reasonable fixed interest rate and payment terms made the real estate purchase affordable, which allows her to offer quality service, affordable rates and retain staff while competing with larger companies.

Michael Bergey and Dan Watts at Northwest Bank partnered with Capital Matrix to provide Robin financing for the purchase of playground equipment and a 8,812 sq.

ft. building located at 2170 S Broadway Avenue in Boise.

Kids Choice SBA 504 loan funded with a 4.08% fixed interest rate!
