BLIMPIE in Meridian

<http://www.blimpie.com/>

Shelley Uzzel Savage opened her first Blimpie's on Main Street in Meridian in 1995. She has successfully owned and operated the specialty sandwich shop for more than twenty years.

Shelley was operating from a leased location in a dated building that was in need of repairs. The leased building was surrounded by competitors, and in/out access was limited due to one way traffic. In 2015, Shelley made the decision to purchase land

and invest in owning her own building. The larger facility has allowed her business to take advantage of better road visibility, a much needed drive-thru and a large patio for customer seating.

Andy Warren at Bank of the Cascades partnered with Capital Matrix to provide Shelley financing for the construction of a new 2,663 square foot building located at 1535 N. Main Street in Meridian, Idaho.

Blimpie's SBA 504 loan funded with a 4.62% fixed interest rate!
